Unless otherwise stated, all graded work will be placed in the wire basket.

---

---

---

---

---

---

---

---

### Pencils

Unless otherwise stated, all work will be completed in pencil.

- Class Exercises
- Homework
- Tests

Pencils are available in the glass by the door.

---

---

---

---

---

---

---

---

### Lessons

Lessons are presented in the form of Power Point slides displayed on the SMART Board. Students will have copies in the form of note sets.

Exercises to be completed in class.

You should work together in small groups.

I will ask questions.

---

---

---

---

---

---

---

---

### Class Work

Exercises displayed in the Power Point presentation

Handed in after the Power Point lesson is completed

---

---

---

---

---

---

---

---

### Homework

Assigned when the Power Point lesson is completed  
All assignments for a unit are turned in at the beginning of the unit test

---

---

---

---

---

---

---

---

### Due Date

Class work exercises are due at the completion of the Power Point lesson. They will not be accepted after the student takes the unit test.  
All homework for a unit is due when the student takes the unit test. Homework will not be accepted after one week following the completion of the unit test.

---

---

---

---

---

---

---

---

### Exceptions

If a student is absent or has another legitimate reason for being late, the due date will be modified accordingly.

---

---

---

---

---

---

---

---

## Grading
