Period \_\_\_\_\_

<p><b>Unit 4:</b> <b>Trigonometric Graphs and Identities</b></p> <p><b>Lesson 2: Graphs of Other Trigonometric Functions</b></p>	<p>Essential Question: ?</p>
<p>Standard: F-TF.7</p>	<p>Use inverse functions to solve trigonometric equations that arise in modeling contexts; evaluate the solutions using technology, and interpret them in terms of the context.</p>
<p><b><i>Learning Target:</i></b></p>	<p>Recognize and graph trigonometric functions other than sine and cosine.</p>
<p>Summary</p>
